Confirmation of Paper Presentation

We would like to confirm participation of **mag.chem. Silvija Safranko** in the International Congress of Chemical and Process Engineering CHISA 2022 and presenting the paper:

**Preparation of Amino Acid-Functionalized Carbon Quantum Dots from Citric Acid – Efficient
Fluorescent Nanoprobe for Selective Detection of Fe³⁺ Ions in Model Systems and in Well Water
Samples**

Zuzana Boháčová
Chairperson of the CHISA 2022
Congress Organising Committee
