EDUCATION

University of Zagreb, Faculty of Chemical Engineering and Technology, Zagreb, Croatia

- Ph.D. in natural science, chemistry, 2009
- M.Sc., chemical engineering and technology, 2004

RESEARCH EXPERIENCE

University of Zagreb, Faculty of Chemical Engineering and Technology, Zagreb, Croatia

- Current position: Assistant Professor (2012-)
- Previous: Postdoctoral research associate (2009-2012); Graduate (junior) researcher (2004-2009)

SCIENTIFIC PROJECTS

Research Associate at 1 international and 3 national scientific projects.

PROFESSIONAL SKILLS AND TECHNIQUES

- Excellent knowledge and great work experience on numerous analytical techniques (chromatography, spectrometry, electrochemical analytical techniques, etc.)
- Excellent knowledge and great experience in chemometrics
- Excellent computer skills: MS Office, Origin, Mathematica, Matlab, Statistica

ORGANIZATIONAL SKILLS

- Member of Organizing Committee:
 - 9th International School of Ion Chromatography, Primošten, Croatia, 2006
 - 10th International School of Ion Chromatography, Brijuni, Croatia, 2008
 - 11th International School of Ion Chromatography, Zagreb, Croatia, 2010
 - 3rd workshop Eureka EI4208 – PUREWATER, Zagreb, Croatia, 2010
 - 12th International School of Ion Chromatography, Zagreb, Croatia, 2011
 - 13th International Chromatography School, Zagreb, Croatia, 2012
 - 19th International Symposium on Separation Science, Poreč, Croatia, 2013
 - 15th International Chromatography School, Zagreb, Croatia, 2014.
 - XXIV. Hrvatski skup kemičara i kemijskih inženjera, Zagreb, Croatia, 2015.
 - 16th International Chromatography School, Zagreb, Croatia, 2016.
- Organization of numerous courses:
 - Measurement Uncertainty (February 2010)
 - Validation (February 2010)
 - Measurement Uncertainty in Analytical Chemistry (October 2009)
 - Validation in Analytical Chemistry (June 2009)
 - Validation in Analytical Chemistry (April 2009)
 - Validation in Analytical Chemistry (July 2008)

PUBLICATIONS

- 2 books; 1 chapter in book; 31 papers published in scientific journals (29 are cited in Current Contents base); 11 scientific papers in proceedings from conferences (overall citations 137, h-index 6 (Scopus))

CONFERENCE PRESENTATIONS

Participated at over 30 international and national scientific and professional conferences

OTHER PROFESSIONAL ACTIVITIES

- Editor of 7 books of abstracts for symposiums:
 - XXIV. Hrvatski skup kemičara i kemijskih inženjera (2015.)
 - 15th International Chromatography School (2014.)
 - 19th International Symposium on Separation Sciences – New Achievements in Chromatography (2013)
 - 13th International Chromatography School (2012)
 - 12th International School of Ion Chromatography (2011)
 - 11th International School of Ion Chromatography (2010)
 - 10th International School of Ion Chromatography (2008)
- Reviewer for numerous scientific journals
