PERSONAL SKILLS

Organisational / managerial skills

- Since 2015 member of management board of the Croatian Competitiveness Cluster for food processing sector.
- Since 2014. chairperson of postgraduate study of Food Engineering at the Faculty of Food Technology Osijek.
- **2011., 2013., 2015., 2017.** member of Scientific and Organizing Committee of International Congress „Flour-Bread“ Opatija, Croatia.
- **2010., 2012., 2014., 2016., 2018.** member of Scientific and Organizing Committee of International Congress “Ruzicka days” Vukovar, Croatia.
- **2012.** member of Scientific Committee of 4th International conference „Technique, Education, Agriculture & Management“, TEAM 2012, 2012, Slavonski Brod, Croatia.
- International Scientific and Professional Conference *WITH FOOD TO HEALTH* 2016, Osijek, Croatia.

Job-related skills	Editor in chief of Croatian Journal of Food Science and Technology The Editorial Board member of scientific journals: <ul style="list-style-type: none">• Journal of agricultural extension and rural development• Journal of cereals and oilseed• Journal of Global Agriculture and Ecology• Asian Journal of Agricultural Extension, Economics & Sociology• Food in Health and Disease• American Journal of Food Technology• Journal of advances in food science and technology
Computer skills	▪ Good command of Microsoft Office™ tools
Driving licence	▪ B

ADDITIONAL INFORMATION**International projects:**

1. Application of high pressure technologies in the extraction of plant material. Project manager: Stela Jokić, funding source: Croatian Ministry of Science, Education and Sports (2016-2017)
2. Improving academia - industry links in food safety and quality (2010-2012). Project manager: Ljiljana Primorac; funding source: TEMPUS
3. Quality and stability development of confectionary filling; Project manager: Drago Šubarić funding source: Croatian Ministry of Science, Education and Sports (2011-2012)
4. Starch isolation from different domestic cereals and development of modified starches for food industry; Project manager: Drago Šubarić, funding source: Croatian Ministry of Science, Education and Sports (2010-2011)
5. INNOWINE (2012-2014)

National scientific projects:

1. Application of gas plasma and ultrasound in starch modification processes (2016-2017). Project manager: Jurislaw Babić
2. Application of food industry by-products in development of functional and environmentally friendly extruded food products and additives (2014-2018). Project manager: Drago Šubarić
3. Development of new modified starches and their application in food industry. Project manager: Drago Šubarić; funding source: Croatian Ministry of Science, Education and Sports (2007-2012)
4. Production of food products of high quality. Project manager: Vlasta Piližota; funding source: Croatian Ministry of Science, Education and Sports (2002. – 2006)
5. Standardization of quality fruits brandy production. Project manager: Drago Šubarić; funding source: Croatian Ministry of Agriculture (2005. – 2006)

Professional projects:

1. Development and improvement of herb extract based encapsulated products. Project manager: Drago Šubarić;
2. Technology improvement and standardization of quality of fruit brandies. Project manager: Drago Šubarić;
3. Quality and safety improvement of agricultural and food products. Project manager: Jurislaw Babić
4. Development of new products based on oyster mushrooms. Project manager: Nela Nedić

Awards: 2008. Croatian Academy of Engineering: Award for best young scientist for year 2007.
2017. *Rikard Podhorsky* Award of Croatian Academy of Engineering for year 2016.

Membership

- Croatia Academy of Engineering

International Mobilities

2016. USA

2004., 2014., 2015. and 2017.: Agricultural University of Wroclaw, The Faculty of Food Science

2006.: University of Rennes

Specialization area:

Food technology, Food safety & quality, Food properties, Carbohydrates, Starch, Confectionary products, Rheological and Thermophysical properties of Food.
