Dear colleagues, dear friends,
Organising committee is honored to invite you to join us in the World Water Day celebration at the **9th International Conference WATER FOR ALL 2022** that will be held in Osijek, Croatia on **19-20 May 2022**. The International Conference WATER FOR ALL is being held on World Water Day with the aim of gathering and exchanging experiences of scientists and experts in the field of water management, environmental protection and preservation of water resources. The Conference has been held since 2011.

The theme of World Water Day 2022 and 9th International Conference WATER FOR ALL is "GROUNDWATER: Making the invisible visible!".

The Conference is organized by Josip Juraj Strossmayer University of Osijek, Faculty of Food Technology Osijek, Faculty of Agrobiotechnical Sciences Osijek and the network of institutions. Our international partners are International Federation of Environmental Health, European Hygienic Engineering & Design Group (EHEDG) and Danube Parks.

The Conference will include plenary, oral and poster sessions, and it will have sponsored presentations of companies involved in water protection and water processing.

With great pleasure, we invite you to actively participate in the Conference and present your latest research, specialties and knowledge!
