BABE

Biotechnology Primer

MOOC IN THE MAKING

The Rainbow Code of Biotechnology

Every colour is a field. Which one is yours?

Red
Health & medicine
Vaccines, insulin, gene therapy

Green
Agriculture
Resilient crops, biofertilisers

White
Industry
Enzymes, bioplastics, biofuels

Blue
Marine
Algae, marine medicines

Yellow
Food & nutrition
Fermentation, probiotics

Grey
Environment
Cleaning soil, water and air

Brown
Arid lands
Desert crops, soil restoration

Gold
Bioinformatics
DNA data, AI, nanotech

Purple
Law & ethics
Patents, bioethics, safety rules

Dark
Biosecurity
Defence against bio-threats

Orange · Education
Bringing biotech to everyone.
